2011 WESTERN CANADA SUMMER GAMES
Kamloops, British Columbia
August 5 - 14, 2011

Background on the Western Canada Summer Games

History

Established in 1975 and occurring every four years, the Western Canada Summer Games is a multi-sport event that brings the top amateur athletes together from the four Western provinces of British Columbia, Alberta, Saskatchewan, Manitoba and three northern territories, Northwest Territories, Yukon and Nunavut.

The Games serve to develop the athletes' skills in a competitive but friendly environment while preparing them for future Canada Games and multi-sport games at the national and international level.

Outside the Canada Games, the Western Canada Summer Games assembles the largest contingent of future Olympic hopefuls in a multi-sport setting in our country.

Medals

At the 2011 Western Canada Summer Games, specially-designed Games medals will be presented to each athlete having competed and achieved a first, second and third place standing in their event or team competition.

Games Trophy

The Western Canada Summer Games Trophy is awarded to the province or territory that accumulates the most points over the ten days of the Games.

7 points	1st place	3 points	5th place
6 points	2nd place	2 points	6th place
5 points	3rd place	1 point	7th place
4 points	4th place		

This is determined by the provincial/territorial final standings on a sport-by-sport basis.
